Filed for intro on 02/22/95 Senate Bill_____ By

House No. HB1690 By Coffey

AN ACT to provide for and authorize risk-sharing agreements and other arrangements for the creation, development and operation of common fund pools, interlocal agreements and other methods that allow municipal utilities and electric cooperatives to provide administration and payment of obligations under the worker compensation laws or similar employee injury fund compensation programs for municipal utilities and electric cooperatives including those not electing coverage under workers compensation laws; and to amend

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Municipal utilities and electric cooperatives of the state of Tennessee may enter into agreements to provide through a common pool of funds administered by them or for their benefit or by an association captive insurance company under which payments are to be made for obligations for injuries, medical expenses, or disability to employees under the workers compensation laws of Tennessee or under the provisions of an employee injury fund for any municipal utility or electric cooperative that either elects to be self-insured or not covered by the workers compensation laws.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring

it.

AN ACT to provide for and authorize risk-sharing agreements and other arrangements for the creation, development and operation of common fund pools, interlocal agreements and other methods that allow municipal utilities and electric cooperatives to provide administration and payment of obligations under the worker compensation laws or similar employee injury fund compensation programs for municipal utilities and electric cooperatives including those not electing coverage under workers compensation laws; and to amend
